

Create an ancient Sacred Tool.....

A Goddess Rattle

From a gourd

Side view and looking down on the top of the Rattle

Join

Anique Radiant Heart

This workshop is about working with energy. The gourd - even though it is dry - is a living being, sacred in every way just as you are. Energetically, you will merge with the gourd which will choose you, and in co-creating this Rattle, you are creating an ally for your Sacred Work as well as a thing of Beauty.

Blessed Be!
