By Maree Lipstich*

I feel so blessed to have found my spiritual teacher Anique Radiant Heart and the Priestess of the Global Goddess Training. I have been looking for many years and this training is giving me such solace and a foundation in sacred practice that most closely resembles my beliefs. Anique is a dedicated, grounded and methodical teacher in both the academic research and spiritual aspects of the Goddess and her Eldership is plainly evident. I feel uplifted, challenged and grateful for all that I have experienced so far in the course and I know that I have grown immensely since I started. Thank you Anique from the bottom of my heart for the great gifts that you offer. I would recommend this training to anyone who has a longing to know the Sacred Feminine more deeply, whether for yourself alone or to serve Her as Priestess.

In Her sacred service,  
Anique

By Dr Delphine De More*

This Priestess Training has been a heart-opening journey. The material is rich with meaning, the discussions thought provoking and the exercises a wealth of practices to enhance every woman's deepest experiences. As a priestess already in practice, I have had my own skills and knowledge expanded which allows me to manifest much more clearly the will of the Goddess for me and our community. Unlike other trainings I have attended, this one has a focus on developing ourselves through internal work as a means to doing the work from the inside out. I highly recommend it for practitioners as well as those new to Her path.
